

Fundraising Update: January 2017

We passed an AMAZING milestone for the charity this year in that we have now raised over £100,000 since our start in 2008 (in fact £108,920)

Many thanks to all our donors and fundraisers, your efforts have been fantastic - (see figures below).

2016 fundraising Total = £11,952

plus Gift Aid return = £ 4,843 (for the years 2012-2014)

Grand Total = £16,795

Also a BIG thank you to everybody whose ceaseless efforts helped raise over £2000 at the 2016 Autumn Arts and Crafts Sale, to those who held coffee or lunch events and to the Doctors and Dentist artists who kindly shared the proceeds from their Autumn Art Show with us.

Particular thanks to all of our 28 regular Standing Order donors who give anything from £20 to £1200 per year, giving a total of £5737 in 2016 (set to rise to £6450 in 2017). Standing Order donations have raised £37,779 to date!
